Frodsham Cycle Strategy

Mark Warren gave an hours' presentation on the draft Frodsham Cycle Strategy. It is a comprehensive document detailing means by which Frodsham can become cycle friendly by utilising current infrastructure as well as proposing new cycle / shared routes. The evidence it contains contributes to several policies: Health & Wellbeing, Built Environment, Tourism and Connectivity. The meeting agreed to adopt the strategy as an essential evidence based appendix to the final Plan. MW to finalise the report and a copy of the strategy will be included on the website. MW was thanked for his hard work.

Tweets

SC offered a suggested tweet schedule for October which was discussed and suggestions made. Any ideas for tweets for November to be sent directly to SC, who was thanked for picking up this task.

Active Design Proposal

A revised proposal was received from Active Cheshire on 28th September. The group discussed the proposal and decided that due to time constraints and accessing funding there would be little value in the evidence that it would gather. Much of the evidence is already available in the Cycle Strategy for Frodsham. GH to email Active Cheshire with this decision.

Masterplanning

Funding has been agreed for Master Planning, GH to chase if the consultant hasn't been in touch before the end of the week.

Planning for meeting with LPA

Gill Smith from the LPA has agreed to attend the next meeting on 16th October. The group discussed the questions we wanted clarification on. GH to send the questions and draft policies to Gill Smith in preparation. There was discussion of MW draft Access & Connectivity draft policy, and it was agreed some areas needed to be discussed with the LPA.

Draft Plan

PV had circulated a "draft plan" which was deemed very helpful. Discussion will be held over until we have had advice from the LPA

AOB

A McC had offered a briefing paper to the group, the discussion of which had been covered when addressing the Cycle Strategy.

The meeting closed at 8.30pm.

Next meetings;

Tuesday 16th October 1.30pm

Monday 29th October 6.30pm

All at Castle Park House
